

St. Mary's Participation Fee

St. Mary's CYO program strives to make participation in sporting programs as economical as possible. This fee has been developed to cover the costs for your child or your children to participate in the St. Mary's CYO program and to cover the AOD CYO charges. This year's 2009/2010 fee will be \$35.00 per athlete, per sport.

We appreciate all the help and time parents provide and to ensure the Participation Fee remains at the lowest amount possible, we will continue to require your participation in the CYO Bottle and Can Drive. When requested, please ensure you sign up for this program to help fund the CYO program.

Please give bottom portion to your child's coach. Please make checks payable to St. Mary C.Y.O.

Thank you for your support
